Christmas Dates for your Diary

At The Cottages Pre-school

Autumn Fair Open Day

We are looking forward to this open day event where parents of children attending the Dolls House Nursery are welcome to visit The Cottages Pre-school to experience what your child will be enjoying from the age of two. You are invited to enjoy tea, coffee, a fine selection of cakes and pastries, with morning papers and the usual Cottages hospitality before or after your interview with your Key-person team.

This **Saturday** morning event from 9am to 1pm on **30th September** starts with your key-person in your child's normal room at The Dolls House and Little House, or a meeting room at The Cottages Pre-school.

Please make an appointment with your key-person as soon as possible.

Your child's progress along their Foundation Stage tracker, Learning Journal and creative work can be viewed and discussed in an enjoyable relaxed atmosphere without the need to run to work or get home on time. For the children; balloon modelling, professional face painting and hair braiding to enjoy. This open-day event is for **all parents**, whose children attend The Dolls House and The Cottages.

Please bring along any parents who may be thinking of enrolling their child to view the different parts of our nursery and meet our staff team.

Thanks to all who attended our Spring Fair Open Day.

In our anonymous questionnaire parents voted us 96.8% Excellent. Thank you.

If your child does not usually attend on Wednesdays' we charge half-price for child-care (£25.) Please complete the slip below and return to your key-worker.

Please ensure that your child's medical information held by the pre-school is up-to-date.

What is Funded 30 Gold Membership?

At the start of the term following your child's 3rd birthday, he or she will automatically be eligible for 15 hours 'free' child-care. Parents can check on-line to see if they are eligible to receive a further 15 hours 'free' child-care (Funded 30). As each of our days is 10 hours, 3 days are funded by the child-care from Leicester City council, but this does not mean that it is totally free as many aspects of a pre-school's services are not covered by the funding.

For example: The funding is 30 hours for 38 weeks term-time only, not all year round for working parents, and does not cover the cost of meals. Quality Premium is added to fund a higher standard of staff and training courses for all staff within a safe, well managed pre-school worthy of 'OFSTED OUTSTANDING.'

Pre-school members attending 3 days per week whose parents or carers are eligible for 30 hours funding are '**Funded 30 Gold Members.**' Eligible Children attending 2 days per week have **Silver Member** status and pay for additional activities such as French lessons, Dance sessions and Forest Discovery trips separately.

Before your 3 year old becomes eligible for funding, the pre-school will hand you all the information you need and will help you become a **Funded 30 Gold Member** if we can.

Nursery Education Grant Nigel Dakin (Managing Director) aims to have a 20 minute registration meeting with all parents of children who have turned three years of age as funding usually begins the term after the child's third birthday (but please check) as 'headcount dates' are published. Please contact Nigel to arrange this meeting to ensure that you get the most benefit from this grant which helps financially (see above) to educate your child to a high level before entering school at age four or five.

Nursery Fees from 1st September 2017

Thank you to all members for increasing standing-order membership fees

Members paying weekly are reminded to keep payments going during Christmas and please note that due to the weekend we will be closed on 22nd December.

Staff News The D H Nursery Ltd is committed to providing the most qualified and experienced child-care teams possible and we are delighted to welcome our new manager **Esme** to head up our Dolls House team. Esme holds a degree in Early Childhood Studies with EYT Teacher Status and Special Needs experience, combined with 17 years child-care

experience (12 of those in management) Esme leads a great team and works well with management, staff, parents and children – a most respected all-rounder.

We also welcome **Jane** as Deputy Manager and leader of The Little House for Babies. She has no less than 26 years baby room experience (most of those as room leader) in Hereford and Leicester. Jane holds level 2 in Leadership and Management with paediatric qualifications

The two enjoy working closely together, leading their talented team- **Milly, Lauren** and **Shaunia**. In addition, we warmly welcome our new members **Chelsie** and **Farheen**.

The Cottages Preschool welcomes **Vanisha** to the role as Deputy Manager. She holds a Level 3 in Children and Young Peoples Workforce, combined with 6 years' experience (2 of those in Management) in both Leicester City and County, with specialist knowledge in Safeguarding. We greatly value her leadership skills as she assists **Sylvia** in her role as Manager who holds a Foundation Degree in Early Years, specialising in SENCO and Behaviour management.

We also warmly welcome **Cortaney** and **Zoe** as they team up with **Issac** and **Stacey**. Not forgetting **Fauzia** who ran our baby room until she had a baby of her own! She now assists **Nigel** in the office, but holds EYT Teacher Status and still teaches our children.

An Unwell Child Our Nursery and Pre-school cannot care for children that are ill. If your child has a tummy bug or is prescribed anti-biotics they must stay at home for at least 48 hours to prevent cross-infection and to guard against negative reactions.

(Please see our 'Policies and Procedures' document)

Please help our Key-person team by phoning if your child cannot attend.

Please also keep your key-person informed on a day-to-day basis of changing days, holidays or schedules even if you have emailed to the office. **It is most important that you sign and date all medication and accident forms etc. correctly. This is most important.**

Medication It is most important that parents complete and sign the correct form with their Key-person if medicine is to be given. Please supply your own child's Calpol or similar; it can then be used if he or she has a raised temperature and will be kept in our medication cupboard but used only after contacting the parent. Please hand the medicine directly to your Key-person so that they are aware, do not just leave it in the bag or take it to work! Please do not ask the nursery to administer medicine to a child that displays no raised temperature, persistent cough or discomfort. **Please always supply medication in the original bottle labelled with the child's name supplied by the pharmacist. If your doctor prescribes antibiotics, your child is clearly ill and needs to be kept at home for 48 hours to take the antibiotics and display no negative reactions. Please see our Medication Policy in our up-dated Policies and Procedures or on our website.**

Pay-as-you-go additional days. You may need your child to attend on a day that is not usually attended; just book with your Key-person but **you must pay on the day, when you leave your child**. Please do not ask to swap days within a week unless this is a permanent arrangement that requires a new register schedule.

 **Facebook Google Plus and Twitter** *With so many activities and trips happening inside and outside of our Nursery and Pre-school over the coming year, parents can now 'log in' and see photos showing what we are getting up to. News of our events, details of our activities and reminders can be posted and viewed from your phone wherever you are. Photos of individual children will not be named or identified. see www.facebook.com/dollshouse*

thedhnursery.com Our website is constantly revised and refreshed and our key policies and procedures such as our Medication Policy and Sick children policy can be viewed.

Breakfast Time Your child can join us for breakfast up to 9.15am so that we are all packed away by 9.30am. Following cereals, fresh fruit and toast etc. the children can enjoy a long learning session until dinner at 11.30am. Please do not ask for breakfast after 9.15am.

No Food Please Please do not allow your child to arrive eating at Nursery or Pre-school as we are not able to safely monitor the food that the children eat. Party food and cake can be brought-in but unfortunately must be shop-bought as this is clearly labelled for contents and can be safely monitored by our staff. **A list of allergens is available in Parents Corner.**

Opening Times Please be reminded that we open at 7.45am and cannot admit parents or children until that time as we are not insured for the children's safety. Collection of children should not be later than 5.45pm as staff must carry out health and safety checks and secure the nursery and pre-school before leaving at 6.00pm. Thank you.

Parking your Car Members of the Dolls House may park in the pedestrianised part of King street before 10am by driving slowly up to the bollards. They will lower to let you through. You have 5 minutes to deliver your child before exiting at the other end at Fenwick's corner. All members have 5 minutes even on yellow lines or pay bays. Ask Nigel for a parking pass.

Buggy storage Please **fold down** buggies to leave space for other parents. Every child has their own labelled peg for their **labelled coat and bag** as fashionable styles are often duplicated. **It is most important, for hygiene reasons, that you change your child into soft indoor shoes or slippers on arriving.** Please make sure that your child has a complete set of spare **named** clothes including slippers in case of accidents. A high factor sun cream is essential during summer months; Sun hats are provided. If you have clothes at home borrowed from the nursery, please return them as we are running out.

Child-care Voucher schemes These schemes are designed to pay the nursery directly from parent's payroll, avoiding tax on that amount. HMRC are now introducing tax-free child-care too. Once informed of the amount that will be paid, you can arrange the balance from your own account on the 1st of each month. Once the scheme has been set up, it should run automatically without problems. Please speak to **Nigel** if your work-place is now participating in a voucher scheme.

Changes of circumstances, addresses and numbers Please let your key-person or Nursery Manager know if your address or phone numbers change so that we can up-date our records. **Parents must not use mobile phones whilst on the premises.**

Access to our kitchen It is a condition of our OFSTED registration that neither children or parents have access to kitchen areas. This is a health and safety, as well as a food and hygiene matter. Members of staff will help if you need anything from the kitchen.

Security and Safety at The Dolls House and Little House

In line with our policies, it is a key-persons duty to check the identity of anyone wishing to enter the nursery. Please make sure that the door is securely locked behind you when entering or leaving. This also applies to the back door of the Dolls House which must remain locked at all times. Please bolt the stair gates securely on all levels. Closing the front gates makes it safer for parents leaving with young children and **when getting in and out of cars please use the kerb side only**. The nursery **must** be informed if another person will be collecting your child and a different password used on each occasion.

Security and Safety at The Cottages

The key-less entry system is excellent and reliable but it is parent's responsibility not to let anyone in behind them. Other parents will have their own security fobs and will not be offended. Do not open the door to anyone who is knocking as they should report to the office if they do not have a key-fob. Please bolt stair-gates securely at the tops of the stairs.

Please hold your child's hand and take care when leaving The Cottages onto King Street and when getting in and out of cars. Please use the kerb side only. The nursery **must** be informed if another person will be collecting your child and a different password used on each occasion.

Policies and Procedures

You may view a copy of our up-dated **policies and procedures** but may not remove them from the nursery premises. If you require a copy of a policy, please ask your key-person.

Clothing Appeal Our nursery has always kept spare clothes in case the child's spare clothes get dirty. Parents usually return these but presently we are running low. Please return any nursery clothes or donate any clothes that your child has grown out of. Thank you.

A Final Thought

Leaving your child at nursery as you go to work has never been easy, no matter how reassuring your Key- Person team, or how welcoming the nursery.

Embracing a double-life as a professional and parent and experiencing 'letting go' for the first time can seem confusing and perplexing as we well know from personal experience.

As our Nursery and Pre-school grow, we said 'goodbye' to no less than twenty-six children leaving for school over the Summer.

Without exception, all went to school joyful and excited, confident with other children, confident with all staff and leaders, knowing how to share, knowing how to take turns, knowing how to ask if they are unsure, and armed with the skills and knowledge to learn, grow and discover even more.

They have learned not only how to learn, but to love learning and will respect their teacher and their leadership – the teacher can tell which pre-school they have come from.

These little ones join us as babies and leave as little people.
Suddenly to parents at the school gate, it all makes sense.
